

Rum Runner Inn

Listing URL: <https://www.explorelunenburg.com/map/accommodations/rum-runner-inn>

The Rum Runner Inn has stunning panoramic views and is right across the street from the Fisheries Museum of the Atlantic. The Inn has extremely high standards and makes sure their high quality chiropractic mattresses are steam cleaned in every room. All of the rooms are bright and spacious and include WIFI, a flatscreen TV, a mini refrigerator, coffee and tea.

The original bluenose sails were made in 1920 in the same building that the Inn is located now. Although there is no onsite parking, the staff will have no problem helping you locate close parking and are happy to cover any potential costs.
